

TICKETLESS PARKING

FAQ'S

Charlestown Square has introduced ticketless parking, providing customers with the convenient option to park at the centre with ease. Ticketless parking takes away the need for a ticket with the latest in number plate technology, allowing customers to enter and exit the car park quickly.

How will it differ from my current parking experience?

Physical tickets will no longer be issued at entry into the car park, your number plate will be recognised at entry and exit.

Will I still receive 3 hours free parking?

Parking will continue to remain free up to 3 hours, with rates applied after the free period. Customers parking under 3 hours will be able to exit with the boom gate lifting automatically.

What happens if I park over 3 hours?

Parking over 3 hours will incur a fee. There are three easy ways to pay if you have parked at the centre for over 3 hours:
